

NATIONAL EDUCATION FRAMEWORK

For the provision of Multifunctional Devices
and Digital Transformation Solutions
REF:CPC/DU/MFD/03A

RECOMMENDED AS PART OF THE DFE'S DEALS FOR SCHOOLS

FRAMEWORK AT A GLANCE

This framework is the easy, effective and compliant option for procuring all of your print and digital transformation requirements. Whether you're looking for a straightforward route to buying your multifunctional devices or a long-term strategic partner for transforming your digital infrastructure, we can help.

THE BENEFITS OF USING THE FRAMEWORK

- Significant discounts against standard market prices
- Choice of Pricing Mechanisms including Lease and Outright Purchase
- Full compliance with the UK Public Contracts Regulations
- Help desk support and guidance
- Pre-agreed terms and conditions to protect framework users
- Access to a wide range of new print technologies and supporting services

LOT 1

Lot 1 is an efficient and effective solution for any size education provider (Primary schools, Secondary schools, Academies, Multi-Academy Trusts, Colleges, Universities) to obtain their multifunctional devices. This is the no fuss and no hassle route that requires minimal paperwork with a single page order form.

Access to a wide range of new print technologies & supporting services

LOT 2

Lot 2 is a market-leading, innovative, and flexible solution with a wide product offering for digital transformation. You can start with a simple managed print solution then add more services as, and when you need them.

This lot allows you to have one provider who can work with you as your needs change, which provides the opportunity for a more tailored service from a supplier that really understands your digital transformation journey.
