

NATIONAL EDUCATION FRAMEWORK

for the provision of Legal Services

REF: CPC /DU/LEGAL/01

Our firm

Capital Law is one of the largest multi-service commercial law firms in South Wales, and one of the only firms to have a dedicated Education team. We advise all types of education bodies and institutions – schools, further and higher education bodies, private training organisations and regulatory bodies and are highly regarded in this sector.

Our Education team advise education bodies and institutions on the full spectrum of services education law and student disputes, commercial and corporate governance, special educational needs/additional learning needs, public law and regulatory, public procurement, subsidy control, property development and construction, to employment and human resources, and public/private partnerships, including major infrastructure delivery projects which use the Mutual Investment Model.

Key types of work

- our **corporate team** has advised on mergers of and acquisitions by educational establishments
- our **commercial team** has advised on charity law, constitutional issues, international contract terms and governance issues
- our **property team** has advised on significant campus redevelopments
- our **litigation team** has advised on multiple student claims/complaints, contentious contract termination matters and discrimination claims or defamation or intellectual property disputes
- our **employment and immigration team** has provided consistent HR and employment law support to all our education clients, representing them in the Employment Tribunal and Employment Appeal Tribunal, conducted HR and child protection investigations, advised on the creation of new subsidiary entities and structured benefit schemes.

What clients say about our Education team:

“Cardiff and Vale College have worked with Capital Law for nearly 12 years. They have provided an exceptional service to many teams across the organisation supporting us with student complaints/disputes, admissions queries, Equality Act claims and settlement, international joint ventures and employment related activities. They are responsive and agile in their approach. We benefit from their strong focus on customer service and have been able to work alongside and form good working relationships with the many varied, specialist teams who offer us support. Through this model Capital Law has developed a strong understanding of our organisation and its needs, which has positively impacted on the quality of the service provided.”

Michell Hiller-Forster, Assistant Principal Quality, Teaching and Learning, Cardiff and Vale College

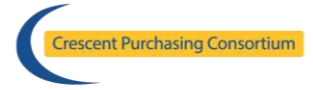

“Bridgend College has engaged with Capital Law for over ten years primarily covering advice and guidance relating to property, commercial, litigation and company start-ups. The level of service provided has been excellent to date with key features being easy access to a wide range of professional support, an impressive knowledge of our organisation and the sector it operates within and the development of a close working relationship with key contacts which has created a significant level of confidence and assurance.”

Andrew Gibbs, Vice Principal, Bridgend College
