

NATIONAL EDUCATION FRAMEWORK

for the provision of Legal Services

REF: CPC /DU/LEGAL/01

We have been providing full service legal advice to education institutions since 1900 and now act for over 100 further and higher education institutions. With a long-standing involvement in and commitment to the education law sector, our team have extensive experience across all legal issues that affect the sector, guiding and supporting our clients through challenges and opportunities.

Working with universities, colleges, independent and alternative providers, academies, and schools, our full-service team can advise on any legal issue that an education institution may have. This includes regulatory and policy work, employment issues, student matters, governance and constitutional questions, partnerships and collaboration, disputes, large-scale capital projects, and estates master planning.

We are fully immersed in the sector, with a number of specialists working exclusively with our education clients. Combining the breadth of our expertise with the breadth of our client base, our team of specialist lawyers are in a position to advise clients every step of the way.

Led by Smita Jamdar, our education experts are able to tailor a service offering to fit your needs.

"It's a joy to work in a firm committed to making a positive difference to a sector that is vital to the nation."
